

Procedures for Initiating a Charitable Donation of Stock

To:
Our Redeemer's Lutheran Church
2400 NW 85th St.
Seattle, WA 98117
(206) 783-7900

Background: Thank you for your interest in donating stock to Our Redeemer's Lutheran Church. It is our desire to offer you every advantage and convenience in making your charitable gifts. Due to attractive tax advantages, many people are interested in making gifts of appreciated stocks and mutual funds.

The fundamental gain from donating appreciated stock arises from the fact that the current market value of the stock can usually be deducted from income for tax purposes.

Our Redeemer's Lutheran Church welcomes charitable donations to its mission in the form of securities. Accordingly, it has established an account with E*Trade Securities, LLC to facilitate those gifts. There is a specific procedure for you to follow in initiating a transaction.

Contact our Administrator, Karie Stearns, (via email at administrator@ourredeemers.net or by phone at 206-783-7900) to alert us to your intentions.

Have your stock brokerage firm complete and transmit one of their forms for charitable donations. They will need the following information:

- **Receiving Firm Name:** E*Trade Securities, LLC, P.O. Box 484
P.O. Box 484
Jersey City, NJ 07303-0484
(800) 387-2331 (Voice)
(866) 650-0003 (Fax)
- **Receiving Firm DTC Number:** 0015
- **Receiving Account title:** Our Redeemer's Lutheran Church
- **Receiving Account Number:** 725424236

Upon notification of completion of this transaction you will receive our acknowledgement thanking you for your generosity and documenting your charitable donation for tax purposes.

Please contact Karie Stearns, Administrator, if you have any questions.
